**Re: O' Byrne S.F. Shield Final 2008**

A Chara,

You may recall that the O' Byrne S.F. Shield Final - Laois v Kildare - was postponed from its original date of 9.2.2008.

It has now been decided, with the permission of CCCC that next Sunday's Allianz N.F.L. game between the same two counties in Portlaoise, will double as the O' Byrne Shield S.F. Final.

In the absence of a share of the gate from this fixture both counties have been invited to make an appropriate contribution to the Leinster Council Accident Tournament Fund.

Le Meas,
